

### Year 9,10 and 11 "Fish and Chip" Parents' Evening

Dear Parents/Carers,

We would like to take this opportunity to formally invite you to a Parents' Evening with a difference for Year 9,10 and 11 students on **Thursday 31<sup>st</sup> March**, between 4.00 pm and 6.00 pm in the dining room. It is a pleasure for us to start running these evenings again now that Coronavirus restrictions have eased; they are very special and friendly community events and a huge part of our "Safe, Ready, Respectful" ethos.

We will be serving free "chip shop style" fish and chips for all parents/carers and students and their families, and with all of our staff present, you will be able to discuss how your child is faring in school life towards the end of the Spring Term 2022. We will also ensure that there is a vegetarian option and "non-fish" chip shop style options on offer to eat.

The evening will provide the opportunity for you to check on your child's academic progress in all subjects and will also give you the chance to talk to your child's tutor about how he/ she is finding life at The Edge generally.

We know that students whose parents/carers are actively involved in their education make better academic and social progress than those who are not supported. It is with this in mind that we invite you to this important event.

Please fill in the reply slip below to inform us of your intentions. We would be grateful if you could return the slip to us at reception by Thursday 24<sup>th</sup> March, otherwise feel free to e-mail reception directly at [rebecca.worton@theedgeacademy.co.uk](mailto:rebecca.worton@theedgeacademy.co.uk).

In one additional update, we also wanted to add that following the end of the current Year 11 Mock Examination period, we will be asking all Year 11 students to follow the mobile phone policy already in place for students in all other year groups. This is a supportive measure to allow students to focus fully on their crucial final weeks of study without distractions. As always, they will be able to store their phones securely in lockers or we are happy to charge phones on the "charging trolley" in a secure locked room.

Yours faithfully,

Andrew Wakefield

Principal
