

Year 11B Progress Meetings: Thursday 26th January 2023

Dear Parent/ Carer,

We are delighted to invite you and your child to a progress meeting on Thursday 26th January 2023.

The progress meeting is important in providing information about your child's progress, their working at grades and their attitude to learning. We will also discuss any areas we can further support leading up to their GCSE examinations.

During the twenty-minute meeting, the following will be discussed:

- Mock exams grades, working at grades, target grades and progress made this year.
- Behaviour logs and Attitude to learning.
- Target setting for the term.
- Interventions to put in place for the final term of examinations.
- Access Arrangements for exams.
- Any concerns or issues related to the impending GCSE exams.

The rationale for this meeting is to give your child one-to-one support leading up to their examinations. Our safe, ready, respectful curriculum underpins everything we do and we want your child to have a positive learning experience during their final terms at The Edge Academy.
