Do you have any budding Chefs? Individuals with a flair of creativity? Students that want to explore the world?
The Hospitality industry has a role for everyone - Introverts and extroverts!
We want to invite you and your students to this **FREE event**, that is designed for students to find out more about the hospitality industry by getting involved in a range of fun, interactive and informative workshops. The hands-on workshops are hosted by industry leaders which support Gatsby benchmarks. It is aimed at students from years 9,10,11 & 12 with a passion for the industry or those with no experience or little knowledge!

We are excited to have a variety of workshops, challenges, tours and talks for our aspiring young people to experience the industry. They will also have the opportunity to find out about the next steps available to them via training providers and leading college and universities.
