

Limited Place Launch 2024/2025

In a year where we are once again heavily oversubscribed and experiencing unprecedented demand for places from across the Midlands, we expect all of our Year 10 placements for 2024/2025 to be filled before September 2024.

This is despite the Department of Education recognising our sustained growth and increasing our PAN from 70 to 72 from September 2024.

We are, therefore, now releasing limited edition Year 9 long-term placements to begin fulltime in the week commencing June 24th 2024. Partner schools will have the chance to sign up in advance so that their students do not miss out.

More importantly, this will also allow the current Year 9 students to complete the **final FIVE weeks** of the academic year with us (ending Friday 26th July 2024) so that they are fully inducted and settled ahead of the start of their Key Stage 4 provision in September 2024.

The charge is a one-off flat fee for the 5-week package of £750 per learner. This is a saving of **£532** when compared to the annual top-up fee pro-rata charge over 5 weeks of £1282.

We will begin admission visits over a two-week period from week commencing 3rd June 2024, with students then invited into The Edge to complete baseline assessments during week commencing 17th June 2024.

All students will start on site from Tuesday 25th June. Please note that due to the 2-week October half-term for the Edge Academy, our end of term is a week later than most schools scheduled Friday 19th July finish.

This package is limited to 20 student places.

For admissions and enquiries, please contact our Principal Adam.Smith@theedgeacademy.co.uk to discuss your needs, answer any questions or to arrange a visit to experience our provision.

Safe, Ready, Respectful
